Dear Parents, Caregivers and Friends,

The wild weather struck us yesterday after a very balmy start to Autumn. We were very lucky though that we didn't get the damage they experienced up North. There's certainly been a noticeable drop in the outside temperature so keep wrapped up and warm.

We met with John Bond yesterday, from the Road Transport Association, and are in the process of forming a **Goodwill Agreement between TIL Freight and Canvastown School** to work together for safety. Basically this means that the drivers undertake to drive at 40 km/h past our school at all times and the children undertake some road safety training. The spin-offs are that we are in a good position to get new speed restriction signs, double yellow lines painted on the road and possibly, greater awareness by the general motoring public, of the value of not overtaking outside our school.

Market Day @ Canvastown School -This Saturday, April 14th, first day of school holidays, Canvastown School grounds. The morning begins at 9 am and we are looking at finishing by 1 pm. If you want to have a stall please feel free to come along and set up a table or your car boot. Unfortunately the Coffee Cart can't make it this Saturday but we will have tea and coffee available for purchase as well as the good old Sausage Sizzle going.

Portfolios - We have reconsidered sending these home this Friday as we use them as a reference for writing our reports. Both reports and portfolios will be sent home together now, in Week 1 of Term 2.

We bid farewell this Friday to Kelan Bailey, Caleb Bailey-Gatchell and Hunter Elvy as they return to Havelock School, for the beginning of Term 2. We wish them all the very best!

All the very best for a great holiday everyone! See you back on Monday, 30 April, for the beginning of Term 2.

Karen Kellaway
